EXPERIENCE

20+ Years. 1400+ Events. 18 Countries.

DJ VIC is Bangalore's go-to corporate DJ — trusted by leading brands, event agencies, and HR teams to deliver premium music experiences that match the energy and identity of the occasion. Two decades in, with 1400+ events delivered and performances across 18 countries, he brings the range and reliability large-format corporate events demand.

FOR CORPORATES

Every Brief. Every Room. Every Crowd.

From high-energy product launches to black-tie annual nights, DJ VIC reads the room, curates the set, and delivers an atmosphere guests actually remember. No generic playlists. No filler. Just the right music at the right moment.

He is also known for his **audio-visual sets** — original music synced with custom visuals — an elevated entertainment format for product launches, brand activations, and annual days.
